GROW

Located in Westfield Carousel Shopping Centre, one of Perth's largest shopping destinations, Crystal Vision is a dramatic 50sq.m fully functional optometrist nestled amongst the bustling hub of retail.

It was essential to the client that their space had both visual impact and high functionality for the shopping centre patrons. Every amount of space was considered, and custom-made retail display systems ensured all their product lines can be displayed.

From the engaging shop front display and entry, to the bespoke interiors, this small highly functional space enabled our client to present their best in product offer and consulting services.
