With stores located all across Australia, Discount Drug Store is a leading discount pharmacy brand that provides medicines and health care solutions at everyday low prices without compromising service or professional advice.

Having successfully designed and fitted out various Discount Drug Stores pharmacies, Masterplanners works closely with local pharmacists and the national Franchise Shopfit coordinator of Discount Drug Stores to ensure that the design and fitout upholds the brand promise to their customers.

From a highly efficient layout of the dispensary that enables quick delivery of service, to the aesthetic incorporation of bright and bold departmental signage for easy navigation of products, we strive to ensure the premises supports the success of the brand.
