Our client was looking for a fitout that would bring their confident design to life. Located in Claremont Quarter, the bakery features a grand vaulted ceiling, ample food display, strategically placed lighting and fine woodwork detailing.

Working closely with the client throughout the fitout, Masterplanners ensured construction and cost remained feasible and design integrity maintained. Excellent craftsmanship and professionalism ensured grandeur to the aesthetics, turning concept into reality.

## TESTIMONIAL

*Masterplanners Shopfitting (for New Norcia Bakery) – Provided experience and ingenuity to the project by understanding the intent of the concept. They are a pleasure to work with and will do what it takes to meet design outcomes, deadlines, budgets and provide quality artisan workmanship.*
