Warnbro Shopping Centre and Baldivis Shopping Centre

For nearly 30 years Moses Surf has been providing the best quality core surf and urban lifestyle products. Masterplanners worked with Moses Surf to design and construct a multi-level, multi-entry point contemporary and family friendly surf shop.

The design ensured that spatial functionality and unified customer flow was achieved. With the incorporation of an aquarium at the shop front portal and barista style coffee section the store provided a constant welcoming, unassuming and family friendly vibe to anyone that entered.
