## Carousel Shopping Centre, Mandurah Forum, Whitford City Shopping Centre

Our client was looking for a fitout that would bring their confident design to life. As all design work was implemented out of state, we worked closely with the client throughout the fitout process to ensure construction and cost remained feasible and design integrity maintained.

Our project managers and the fitout team consistently provided precision scheduling of works, seamless execution, on time completion and an overall success for each store taking the worry and stress out of the construction process for an out of state client.
